SUMMARY

Resourceful full-stack software developer passionate about learning and excited to tackle new technical challenges. Enjoy collaborating with other developers to create complex applications.

SKILLS

Programming Languages: JavaScript (ES6), Python, Java
Front-end Development: React, Redux, HTML5, CSS3, Sass, Responsive Design, UX
Back-end Development: Node, Express, Django, REST APIs, SQL and NoSQL Databases
Soft Skills: Problem Solving, Teamwork, Adaptability, Communication
Other: Git, Linux, TDD, Unit Testing, Docker

PROJECTS

Twitter Clone (May 2019-June 2019) Individual

- Developed a social networking full-stack web application that allows registered users to broadcast short posts, reply to posts, and follow users with timeline and profile feed.
- Implemented and built clean and scalable REST APIs.
- Translated designs and wireframes into high quality code.

Real Estate Listings (February 2019-May 2019) Group

- Developed a full-stack web application to help SFSU students find housing by connecting them to landlords who offer a place to rent near SFSU.
- Collaborated with other developers on design and implementation in a fast-paced agile environment with weekly standups.
- Worked closely with back-end engineers to connect the UI to the REST APIs.
- Designed and built attractive user interfaces with responsive design.

Food & Workout Logger (April 2019-May 2019) Group

- Built a full-stack application to help people track and log their food intake and workout plans.
- Identified bugs and designed innovative solutions to complex and challenging problems.
- Dockerized and implemented a microservice architecture for the back-end using http-proxy.

EDUCATION

San Francisco State University
B.S. Computer Science (3.12 GPA) May 2019

WORK EXPERIENCE

Courier

DoorDash (July 2016-Present)

- Transport and deliver items to customers and clients in a safe, timely manner.
- Provide excellent customer service and communication with customers and clients.

Supervisor

Taco Bell (August 2014-June 2016)

- Organized workflow and ensured teamwork and collaboration in the workplace.
- Responsible for customer satisfaction and solved complex problems and complaints.
